BRIEF ABSTRACT OF LETTER.

Forwards for sanction of Govt statements showing the allocation of the officials of the chief court and of the clerical staff of the civil courts fixing their pay in the sanctioned revised scale and of the Rowan establishment of the civil courts.

NOTES AND ORDERS.

Sahib for perusal.

1. In the allocation the qualifications have not been mentioned to see whether the efficiency bar has been passed or.

2. In one case, the Shorthand allowance has been merged with pay and increments has been given even when a separate cadre of typists have been sanctioned

3) The points for consideration set forth at length in the Registrar's letter are

I Grant of increments.

(1) The adoption of the principles proposed in para 2 of the Registrar's letter for the grant of increments in the new grades of pay to officials who have been on the same pay for a number of years.

For purposes of comparison copies of the Govt orders re allocation ordered in the G.R.S and Comptroller's office Reorganisation are put up. The proposals of the Chief Court appear on the whole to be more favourable than what was sanctioned in the said orders.

(2) Principles proposed in para 3 of the Regr's letter to regulate cases in which the strict application of the proposals in para 2 operate as a hardship.

(3) Grant of extra increment in spec cases on the ground of educational qualification and good work

Govt no P 2295-6-ES 6-11-27 Sanctioning & no P 2368-9-ES 181-25 Dt 7-11-27, Sanctioning the reorganisation of the Clerical process establt, it was ordered that the revised scale will take effect from 14-10-1927. Some time was necessary for the Chief Court to propose allocation of hands in the new grades and in the meantime the Subordinate Courts continued to draw acting allowances & increments according to the old scale of pay. The Comptroller having brought to the notice of Govt that the difficulty in conveying acting allces increments according to the new scale if allocation therein is not ordered immediately, Govt directed in their order no H 6777-8-G/7 108-27-2 Dt 15-2-28 that pending sanction to the allocation, the old scale of pay be continued to be in force and that after the allocation is fixed up, permission should be given to the officials to count time for increments from 14-10-27 with no claim to back pay. The Reg has pointed out in para 6 of his letter the difficulties in working out this arrangement and sought a

~~Principles of fixing pay in revised scales.~~

6) The principles suggested in para 2 of the Registrar's letter, if uniformly applied, admittedly lead to certain anomalies and the Ch. Commr. propose the adoption of certain other principles in cases in which such anomalies would arise. The proposals of the Chief Commr re fixing the initial pay in the revised scale are therefore somewhat complicated and will also require a larger provision than is now made in the next year's Budget Estimates. When the Accountant's Office Etc. were reorganized about 2 years ago the initial pay in the new grades was fixed in accordance with the provisions of Arts 88 and 85A F.S.R. and one additional increment was sanctioned to officials recommended for special appointments. It is for consideration

whether the Chief Conr may not be requested to ~~reconsider~~ revise their proposals on the same lines.

7) The ~~new~~ grades 30-3-60-4-80 ~~is subject to an~~ in the new scale of the Ch. Ct. Estt. is subject to an efficiency bar at Rs 60. The Ch. Ct. consider that a pass in the Accounts (Lower), Civil Pt. I & Registration examns is a sufficient qualification for the officials in that grade to be given the further increments. This proposal seems suitable.

8) The revision of both the clerical & process establishments were sanctioned in the first instance with effect from 16-10-27. But later it was noted in the Fi. Dept that pending sanction to the allocation proposals the old scale might continue subject to the officials on their respective place in the new scale being fixed, counting the period for increments from 16-10-1927 with no claim, however, to back pay. The difficulties in giving effect to this order, so far as appointments ~~made~~ in the new scale, made before the order was passed & referred to in (a) to (e) of paragraph 7 of the Registrar's letter, are real and those appointments have to be allowed to take effect

appointments may as well be applied in this case also; cases of special treatment being separately considered. Proposals in accordance with these principles may perhaps be called for from the Ch. Comst.

(2) I do not think a good case has been made out for a revision of the G. of I. 15-2-1926. The practical difficulties referred to in para 7 of the Registrar's letter could have been easily got over if the arrangements had been made under the Act pay and grades alone. Some of these officials must have been already attracted allowed to draw acting and other allowances in the Act grade and if they are now to get the benefit of the pay in the new scales, from 16-10-1926 they will have double advantage.

(3) In para 3 of these notes the extra cost on account of allocation of the clerical staff as proposed by the Ch. Comst is stated to

If the allowance is to take effect from 1-4-1927, the total extra cost on account of back pay for about 7 months will come to Rs 14212/- roughly. How to meet this extra cost is a point for consideration in deciding this question

(1x) I am afraid the proposals of the Chief Court are much too liberal and are without precedent. The cost involved over the present level of expenditure is about Rs.28,000 per annum. I can see no financial justification to such special treatment as is recommended in favour of the Civil Court Establishments. The application of the initial pay rules in the M.S.R. does not I think result in any material hardship in the generality of cases and in the absence of strong reasons to the contrary they have to be strictly observed.

P.U.D 15) Para 2. - However, I am agreeable to our meeting the Chief Court half way in the recommendations they have made for the benefit of the

staff. The modifications that I venture to suggest are these:-

(1) The maximum increments to be added to the present pay of the officials should be limited to two instead of three or more.

(2) Only one increment may be given for service up to four years.

(3) No special concession need be shown to those who are to retire within one year from 14th October 1927, as proposed by the Chief Court.

(4) There should be no special cases for additional increments on account of educational qualifications or for other reasons.

(5) Separate recommendations may be made in their behalf independently of the reorganization for consideration on the merits of each case.

2. In the light of the above observations, I note hereunder in juxta position the proposals of the Chief Court and the suggestions made by me against each other.

| Proposals of the Chief Court. | | Suggestions of the Financial Secretary. |
|---|---|---|
| (1) For six years of service and above on the present pay. | 3 increments to be added to the present pay. | For four years of service and above on the present pay, two increments to be added to present pay. |

| (3) For 1 to 3 years of service and above on the present pay. | 1 increment. | For one to four years of service, one increment to be added to present pay. |

| (4) For less than one year of service. | | No increment; but the period during which the present pay is drawn to count for next increment. | May be accepted but this privilege will not however be admissible to those who are entitled to the concession specified in Clause (5) |
| (5) Where the pay plus the increment on the above basis does not form one stage of the new progressive scale, the next stage of increment in the scale is to be given. | | | May be accepted. |
| (6) Officials who are not entitled to at least one increment under the above principles, but who are to retire within one year from 14th Oct. 1927 to be given one increment so that they may have the benefit of a slightly enhanced pension. | | | This cannot be agreed to. Officials in the Ministerial Establishments who are efficient need not necessarily be retired on attaining the age of 55. Deserving hands may be given extensions. |

(b)

Para 3. - (A) I see no objection to the principle enunciated in the latter part of the clause being approved.

(B) The anomolies referred to in this clause will have to be remedied only by examination of the individual cases. It is not possible to agree as a general principle that the pay of an official should be arbitrarily fixed simply because some junior happens to get more pay. The allocation may be prepared on the general lines indicated above and special cases of hardship may be cited for suitable orders being passed in each case.

(c) The general reorganization is not an occasion for granting special increments on account of Educational qualifications or good work.

Para 5. - The proposals of the Chief Court prescribing the tests for the efficiency bar may be approved.

Para 6. - As regards the grant of increments with effect from 14th October 1927, I have to point out that the question was fully examined before the Government Order of 15th February 1928 issued. The officials put in the new grades will be entitled to claim increments from 14th October 1927 but owing to the difficulty involved in reauditing the claims in the new scale, it has been ordered that the pay ~~& allowances drawn in~~ the old scale may be considered to remai in force till the date of the new allocation order. The Chief Court request that permission should be given to the officials to claim pay in the revised scale with effect from 14th October last. The grant of this request will undoubtedly involve very heavy work on the Audit Office in auditing the revised establishment bills, in comparing the present and the previous scale and in enforcing the necessary recoveries of acting and other allowances drawn under the old scale.

Para 7. - Reference has been made to certain practical difficulties experienced in adopting

the old scale till date of sanction to the new allocation. To these observations, my answer is that special sanction may be accorded in the case of appointments newly created or filled up. If the suggestions made by me in the preceding paragraphs are considered suitable, the Chief Court will have to be requested to send up a fresh allocation list for the sanction of Government. When that list comes, I have no objection to the question of granting back pay being re-examined. & the Chief Court should press the same.

Para 8. - Progressive scales of pay are sanctioned for all the subordinate establishments except Mutchis and Duftarbands for whom fixed pay has been allowed. These persons may be permitted to draw the revised scale of pay with effect from 14th October 1927.

4a In para 1 of this office letter dt 15/6/28 the increments allowed are as addition to present pay. In the revised allocation Statement recd, in cases in which the addition of increment results in a pay which is between two stages of the grade the next higher stage is entered as the pay the officials are entitled to on 14.10.27 & the next increment due on 14.10.28 is calculated accordingly. It is not clear if this is the intention of the order conveyed in the letter of 15/6/28. If it is not the intention, the pay due on 14.10.27 & that due on 14.10.28 mentioned in the allocation list require revision.

69 The reorganization was sanctioned with effect from 14-10-1927 and pending allocation of the officials in the new scale it was ordered that the old scale might continue & the officials ~~on~~ on their places in the new scale being fixed would be allowed to count time for increment from 14-10-1927 with no claim to back pay. Nearly a year has elapsed since the date from which the reorganization was intended to be brought into force and during this interval several changes have taken place, some of the officials having earned their increments and some others having been promoted to appointments carrying a higher pay. The Chief Court have had to take these changes into consideration in making their revised proposals, with the result that the

question of allocation has become somewhat complicated. It is submitted that the allocation would be greatly facilitated if instead of taking into account the pay of the officials on 14-10-1927 into account for the purpose of fixing their initial pay in the new scale the allocation is brought into force from the date of the order sanctioning it and on the basis of the pay of the officials on that date and an extra increment (i.e. 3 1/2 instead of 2+1 increments suggested by the Fl. Ley) sanctioned to them in view of the delay of nearly a year in passing orders. There is practically no difference between sanctioning the allocation from now with an extra increment & sanctioning it with effect from 14-10-27 but without the back pay from that date.

50. As regards the principles to be adopted in fixing the initial pay, the Fl. Ley has already agreed to the following:

(a) × two increments to be added to present pay, if it has been drawn for not less than four years,

× 3, if the above suggestion is accepted. 2

2, if the above suggestion is accepted -

(b) one increment to be added to present pay, if it has been drawn for not less than one year;

(c) period of service for less than one year on present pay to count for increment in the new scale,

(d) if with increments as above the pay does not form a stage in the new scale, the next stage of pay in that scale to be given; and

(e) in the case of officials holding progressive appointments under the old scale, service to be counted for the above purpose from the basis of substantial pay in such appointments instead of their present pay.

51. If the present pay, instead of the pay on 14-6-27, is taken as the basis, as suggested above, cases of the kind referred to in para 2(ii) will not arise.

52. To the principles mentioned above it has to be added, to cover cases like No. 3 in the statement of the instance, that where the present substantial pay is more than that of the place assigned to him in the

new scale, the Seers will be treated as his personal allowance. Similarly, where no increment is due according to the above principles and the present pay does not form a stage in the new scale, the Seers over the next lower stage will have to be treated as a personal allowance.

3. The Officials recommended for special treatment are Nos. 11, 33, 34, 35 & 37 on the Chief Engr's list. No. 37 would cease to be a special case if the suggestion at the end of para 59 is adopted. The reason for giving an extra increment to No. 35 applies rather for reducing the number of increments proposed for No. 27, as it is only service on permanent pay that should be taken into account. Perhaps ~~If this idea is not accepted~~ the proposal to add the marshalling allce to pay in the case of No. 34 is perhaps open to financial objection. No. 33 may perhaps be given ~~an special increment in addition to the~~ one additional increment in lieu of the acting allowance on the old scale as proposed. The recommendation of the Chief on behalf of No. 11 is endorsed.

60 Whether the initial pay proposed is in accordance with the ~~former~~ principles already approved as may perhaps be got verified in the Comptr's Office

61 The revised proposals of the Chief Court in para 2, clauses (i) and (ii) (of the P.U.D.) ~~revised~~ submitted in accordance with the instructions issued by Government, seem to be in order and may be approved. In view of the strong recommendation of the Chief Court, the special concession proposed in favour of some of the officials of the department may be accepted. It is not worth-while to disturb the initial pay in individual cases.

62 ~~It~~ is stated that the total extra cost involved in the revised proposals is Rs 21,822/- per annum. In the absence of definite data as

63 In clause (iv) the Chief Court once again urge for the revised allocation being given effect to from 14th October 1927. I do not think this is possible. This point has already been fully examined. In fact, the Chief Court's recommendation clashes with their own proposal in clause (i supra. In certain cases officials have earned promotion or increments under the old scale and the initial pay under the new scale has been based on such improved pay. It would involve considerable confusion to base the revised allocation on the pay of the officials as it stood on 14th Octo 1927. In the circumstances, the balance of advantage rests with adherence to the orders already issued. Subject to this modification, the allocation proposed by the Chief Court may be approved and given effect to from date of order.

Chief Court and of the Process Establishment attached to the several Munsiffs' Courts in the State, I am directed to forward herewith, for the sanction of Government, statements showing the allocation of the officials of the Chief Court and of the clerical and the Process Staff of the several Civil Courts, fixing therein the pay of each official in the sanctioned revised scale.

2. The existing scale of pay of the officials of the Civil Courts was fixed so far back as 1915 and of the Process Establishment in 1914 and the present revision was pending sanction for over three years. Thus for a long time, the officials of the Judicial Department have had to remain on the old scale of pay and as the enclosed statements show, there are officials who h

had no addition to their pay for 6 to 10 years past. Having regard to these facts, the Chief Court consider that the following principles may be adopted in fixing the pay of the officials though if funds permitted a more liberal scale would not be out of place:-

| | | |
|---|---|---|
| (1) For six years of service and above on the present pay. | ... | 3 increments to be added to the present pay. |
| (2) For three to six years of service and above on the present pay | ... | 2 increments -do- |
| (3) For 1 to 3 years of service -do- | ... | 1 increment -do- |
| (4) For less than one year of service -do- | ... | No increment; but the period during which the present pay is drawn to count for next increment. |
| (5) Where the pay plus the increment on the above basis does not form one stage of the new progressive scale, the next stage of increment in the scale is to be given. | | |
| (6) Officials who are not entitled to at least one increment under the above principles, but who are to retire within one year from 14th October 1927, to be given one increment so that they may have the benefit of a slightly enhanced pension. | | |

3. The strict application of these principles created the anomaly of certain junior officials getting more pay than their seniors. For instance

A. In a case where an official is drawing a salary in a progressive scale and his increments are accruing every year, applying principle No.4, he will not be entitled to any increment on 14-10-27. Whereas, an official drawing the same

as

(31)

as fixed pay and who has put in 6 years of service on that pay would get three increments on 14-10-27. To obviate this hardship the service of the former is counted from the initial pay and increments granted on the principles laid down, in which case the hardship above indicated will be mitigated.

A

B. Head Munshis drawing Rs.45/- for a year or two would get, applying the principles, Rs.48/-, whereas Deputy Munshis drawing Rs.40/- and who have been promoted as Head Munshis or as Process Nazirs would get Rs.51/- and Rs.50/- respectively. Similarly there are certain officials who, though seniors in rank, get lesser pay than their juniors. In such cases the pay of the seniors had to be increased so as to make the pay correspond with the rank.

C. A few officials have been given one more increment as special cases on account of their educational qualifications, good and satisfactory work. These have been noted in the statements against the names concerned.

4. It will be seen from the statements that the total cost of the present allocation of pay is Rs. 16128/- in the case of the clerical staff and Rs. 11664/-in the case of the Process Staff, each of which works up more or less to about half the average cost involved for the revision.

5. As regards paragraph 2 of the G.O.No.P.2275-6/Cts. 69-27-2 dated the 3rd November 1927, placing an efficiency bar at Rs.60/- in the grade 30-3-60-4-80 in the Chief Court and requesting the Chief Court to prescribe the necessary conditions for an official in the grade passing the efficiency bar, I am to state that the Chief Court consider that a pass in the* marginally noted Mysore Government Local Tests will be sufficient for the officials concerned to pass the efficiency bar and I am accordingly to request that Government may be pleased to approve of the same.

* Accounts Lower, Civil Part II, & Registration.

6. I am also to invite kind reference to G.O.No.Fl.6777-G.F.108-27-2 dated the 15th February 1928, stating that Government are of opinion that after allocation in the revised scale is fixed up, permission should be given to officials to count time for increments with effect from the 14th October 1927, with no claim to back pay as decided in G.O.No.Fl.634/G.F.260-25-2 dated the 28th July 1926 in the case of the Comptroller's office establishment. I am to state that the analogy of the Comptroller's office may not be made applicable to the Judicial Department, since the principles on which the increments were given in that office were different from those now adopted for the Judicial Department. For the pay fixed in the revised scale was based on the salary drawn by the officials in December 1925 and in many cases, the officials were allowed to draw salaries very much larger than their pay and the pay fixed in the new scale on that basis more than compensated in most cases for the loss of the back pay. Even if such a principle was adopted in this department, it would not benefit the officials materially, since the number of vacancies in the higher grade carrying

33

carrying high salaries ~~are~~ is few when compared with the Comptroller's Office.

7. Moreover, other practical difficulties are experienced in working out the directions contained in the G.O. dated the 15th February 1928, and I am to bring to the notice of Government a few of them:-

(a) Since the receipt of the G.O.No.P.2275-6/Cts. 69-27-2 dated the 3rd November 1927, giving effect to the revision scheme from 14-10-27, a permanent vacancy occurred in the Chief Court of a clerk on Rs.62/- (old scale) with effect from 30th November 1927, consequent on the retirement of Mr. Vittal Rao. That place was filled up permanently by the appointment of one G. Subramanyam as clerk on Rs.30/- in 30-3-60-4-80 grade (new scale) and the candidate joined his appointment on the 22nd December 1927. This appointment has also been reported to the recruitment board. But in view of the direction contained in the G.O. of the 15th February 1928, to the effect that the old scale be continued to be in force and that acting and other allowances be regulated according to the old scale, I am to state that as the pay of the vacant place was Rs.62/- under the old scale, confirmations of the senior officials in the several old scale grades who have already put in long active tenure, will have to be made now so as to support the appointment of the new candidate on Rs.30/-, as it will really act as a hardship in his case to be treated as acting and he has also insured his life already; or G. Subramanyam will have to be treated as permanent on Rs.30/- in the new grade 30-3-60-4-80 from the date

of his joining the appointment, irrespective of the confirmation of the others above him. Either of the two alternatives requires special sanction of Government.

(b) In the Central Records, Mysore, the pay of the Deputy Record Keeper was raised from Rs.30-2-40 to Rs.45-3-60. A recruit -- a non-brahmin graduate -- was appointed to the post specifically mentioning in the order of appointment that the pay of the post was Rs.45-3-60 and he joined the appointment. If the old scale of pay viz., Rs.30-2-40 is to be given him, it would work as a great hardship and he has to be given the minimum pay of the new grade, with special sanction of Government.

(c) In the place of 2 Assistant Record Keepers, Central Records, Mysore, on Rs.20-1-25(old scale) three Assistant Record Keepers on Rs.25-1-30 were sanctioned and fresh men have been appointed to these three posts. In their cases also, minimum of the new grade will have to be allowed to be drawn.

(d) In the District Court, Mysore, there was one place on Rs.45-2-55 (old scale) and now there are two places on Rs.45-3-60. In filling up the latter two places, one was given to the official on Rs.45-2-55 (old scale) and the other was given to an official who was drawing Rs.41/- in Rs.35-2-45 grade (old). It works as a great hardship if the latter official is not allowed to draw the minimum of Rs.45/- of the new grade.

(e) On account of the formation of the new courts

and

(35

and the entertainment of additional hands sanctioned, several officials who were permanent on Rs.25/- (old) have got into Rs.30-2-40 grade and been posted to different places whither they have gone on account of the promotion given. It will be a very hard hit to them if now they should be asked to draw only Rs.25/- (old).

(f) Certain officials due to retire three years after the 14th October 1927 will be prejudicially affected by the order of the 15th February 1928, as they will not be entitled to full half pension, if they are not allowed to actually draw the pay under the new scale from that date. Their cases also deserve to be treated with sympathy and special orders of Government will be necessary to count their services from 14-10-27 as one under the new scale for purposes of pension also.

8. There is one more point to be brought to the notice of Government with regard to the G.O.No.Fl.6777-8/G.F.108-27-2 dated 15th February 1928. This G.O. refers only to those officials who are to be allocated in the new progressive scale of pay and is silent with regard to those who are to draw fixed pay under the re-organisation and in whose cases therefore no allocation is necessary. It is therefore presumed that the latter officials can draw the new pay from 14th October 1927.

9. It has been a great disappointment to the officials of the Judicial Department who were held out hopes of increase in their emoluments from 14-10-27 that the increase has been put off to a distant and uncertain date.

10. For all the above reasons, I am respectfully to request again that Government may be moved to reconsider their opinion and to direct that the new scale of pay may be made payable from 14-10-27.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.

To

The Registrar,

Chief Court of Mysore.

Sir,

With reference to your letter No.A. 970 dated 5th April 1928 forwarding for sanction statements showing the allocation of officials of the Chief Court and of the clerical and the Process staff of the several Civil Courts, I am directed to observe that recommendations (1),(2) and (3) in paragraph 2 of your letter are made on far too liberal a scale and to suggest that the additional increments to be granted be fixed on the following bases:-

i. For four years of service and above on the present pay, two increments to be added to present pay.

ii. For one to four years of service one increment to be added to present pay.

Government have no objection to the grant of concessions ( 4 ) and (5) provided that no official is given the benefit of both these concessions. There is no need for concession (6) as deserving officials can be given extensions of service to enable them to get enhanced pension.

The anamoly referred to in paragraph 3A of your letter may be got over in the manner proposed therein. As regards the other recommendation made in that paragraph, I am to state that the pay of officials cannot be arbitrarily increased either on the ground that they would otherwise be superseded or on account of their educational qualifications and good work. Any proposals which the Chief

(38)

Chief Court might desire to make for meeting special cases of hardship, will however -- receive due consideration.

I am to request that the allocation may be revised on the lines indicated above - and fresh proposals submitted for the orders of Government.

2. It is presumed that the officials referred to in paragraph 8 of your letter are the Mutchis and Dafterbands belonging to the Chief Court establishment. They may draw the fixed pay under the new scale with effect from 14th October/27. In the case of -- appointments carrying progressive pay , however it is not practicable to give effect to the new scale from that date and Government Order No.Fl. 6777-8/G.F. 108-27-2 dated 15th February 1928 will apply to the holders of these appointments.

To

Secretary to the Government of
His Highness the Maharaja of Mysore,

Law Department, Bangalore.

*Sir,*

I am directed to acknowledge the receipt of your letter No. P. 7262/Cts. 69-27-6 dated 14th June 1928, requesting that the allocation of officials of the Chief Court and of the clerical and the process staff of the several Civil Courts forwarded with my letter of the 5th April 1928, may be revised on the lines suggested in your letter under advertance and fresh proposals submitted for the orders of Government.

2. In reply, I am to enclose herein for orders of Government statements of revised allocation and to state as follows:-

i. With reference to the first paragraph of your letter under advertance to the effect that the pay of officials cannot be increased either on the ground that they would otherwise be superseded or on account of their educational qualifications and good work, I am to state that the recommendations made in my letter R.O.C. No. 790/27-28 dated 5th April 1928 were made only in deserving cases and

and in cases of real hardship. On further consideration of the question in the light of your letter under reference, the Chief Court feel that they cannot ignore the special claims of some of the officials of the department, to whom ~~the~~ real hardship would otherwise be caused. Such cases have been minimised as far as possible, and brief reasons are given in each of the cases in the remarks column of the statement. The Chief Court would strongly urge that it is only just that these cases should receive favourable consideration.

ii. In the case of some of the officials who have earned promotions or increments under the old scale which still continues to have effect in accordance with Government Order No. Fl. 6777-8 G.F. 108-27-2 dated the 15th February 1928, it will be seen that the pay which they would get under the revised allocation will be less than the pay they are now actually drawing. These officials should in fairness be allowed to continue to draw their present pay till they get the next increment under the revised allocation or until they retire whichever may happen earlier.

iii. The total extra cost entailed by reason of the allocation of pay as at present revised on the lines indicated in your letter under reference, is Rs. 21,822 (Rs. 13,044/- clerical Staff and

(4

and Rs. 8,778/- Process Staff) as against Rs. 27,792/- ( Rs. 16,128/- clerical staff and Rs. 11,664/- Process Staff), so that there is on the whole a reduction of Rs. 5,970/-

iv. The Chief Court would once again request Government to allow the officials to draw their pay under the revised allocation from the 14th of October 1927, not only for the reasons urged in my lettere R.O.C. No. 743 of 27-28 dated the 21st January 1928 and R.O.C. No. 970 of 27-28 dated the 5th April 1928, but also for the reason that under the revised allocation the maximum number of increments to be given to officials has been limited to two instead of three as originally proposed by the Chief Court and the number of years of service on present pay to qualify for two increments has been raised from three to four years.

3. For the reasons stated above I am to request that Government may be pleased to accord early sanction to the allocation as now revised and to give effect to it from 14th October 1927.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.

VSM.

In G. O. No.P.5239-53-Cts.263-26-1 dated 4th April 1927 Government ordered that the additional realisations consequent on the enhancement of process fees would be utilised for meeting the increased cost on account of the measures for the improvement in the pay of the process establishment including Process - Nazirs and that a sum of Rs.20,000/- would be provided in the next year's budget for the re-organisation of the ministerial establishment and for the additional establishment recommended by the Committee for the existing courts. Vide. (6) and (7) under para 5 of the said G.O.

The third judge's note received from the 3rd member today. 29/9/28

From the appended statement it will be seen that the anticipated increase on the income due to - the enhancement by 25% calculated on the income of the year 1926-27 was Rs.37,543. The excess realisation from 14th October 1927 till 30th June 1928 i-e. for a period of 8½ months, was Rs.28,608. The - anticipated income for that period was Rs.27,529/-. There was thus not only an increase in the income by Rs.28,608/- but also an income of Rs.1,079/- in excess of the anticipated income. This excess is due to the establishment of additional courts. Besides, the net savings from the realisation of process fees after meeting the expenditure of the process - establishment was in the year 1926-27 Rs.40,238/- and that for the year 1927-28 was Rs.62,990/-. Even - under this head there has been an excess in the net savings in the working of the process establishment by a little over Rs.20,000/-.

The income of civil courts through institution and other fees excluding income from process - fees for the year 1926-27 was Rs.9,24,267/- and

for 1927-28 Rs.10,45,467/-. There was thus an increase of Rs.1,21,200/- under this head.

Thus while the Government under the said G.O. ~~said above~~ ordered that the whole of the realisation due to the enhancement of the process fees would be utilised for improving the pay and prospects of the process establishment which as shown above was Rs. 28,608/- for 8½ months and while Government promised to allot Rs.20,000/- for the re-organisation of the ministerial establishment of the civil courts, in the budget 1927-28 a lumpsum provision of Rs.90,000/- was made for these two purposes and also for the purpose of additional courts establishment (including a fourth Judge to the Chief & allied staff) ~~and~~ it was not clear what portion of this amount was intended by Government for the re-organisation of the process and ministerial establishments of the civil courts. In the budget for 1928-29 a provision of Rs.10,000/- only has been made to meet the expenditure for which Government had promised to lay by about Rs.55,000/-.

In Government Order No.P.2275-6-Cts.69-27-2 dated 3rd November 1927 and in G.O.No.P.2368-9-Cts. 181-25 dated 7th November 1927 Government stated that the re-organisation of the ministerial and the process establishments will take effect from 14th October 1927.

In G. O. No.Fl.6777-8/G.F.108-27-2 dated, Bangalore 15th February 1928 it was directed that pending sanction to the allocation proposals to be sent up by the Chief Court, ~~that~~ the old scale be continued to be in force and that acting and other allowances be regulated according to old scale. In the same G.O. Government expressed their opinion that after the allocation in the revised scale was fixed up, permis-

permission should be given to the officials to count time for increment with effect from 14th October 1927 with no claim to back pay. Thus, although Government realised in the year 1927-28, Rs.1,21,200/- from institution and other fees and Rs.28,608/- from process fees in excess of the normal income and although a definite portion of Rs.90,000/- for meeting the expenditure of this re-organisation was allotted in the budget, the officials of the ministerial and process establishments of the civil courts have been denied the benefit of drawing the pay according to the increased scale in that year.

17th October 1928.

The Registrar,

Chief Court of Mysore, Bangalore.

With reference to Government Order No.P.2267-8/Cts 69-27-10 dated 16th October 1928 sanctioning the allocation of officials of Civil Courts in the revised scale of pay, I am directed to enquire whether Mr.T.N. Narayana Iyer (Sl.No. 34 in the list accompanying the said Government Order) is one of the officials working as personal clerks of the Judges of the Chief Court for whom an allowance of Rs. 10/- per mensem was sanctioned in Government Order No.P. 1652-3/Cts 58-28-2 dated 15th September 1928, and if so, whether this allowance will cease in view of the absorption of the short-hand allowance of Rs. 10/- drawn by him previously in his pay as now fixed.

I have the honor to be,

Sir,

Your most obedient servant,

For Secretary to Government
Law Department.

B A N G A L O R E.

SIR,

I am directed to acknowledge the receipt of your letter No. P. 2299/Cts.69-27 dated the 17th October 1928, enquiring whether Mr. T. M. Narayana Iyer, Stenographer, Chief Court, is one of the officials working as personal clerks of the Judges of the Chief Court, and if so whether the duty allowance of Rs. 10/- sanctioned in the Government Order of the 15th September 1928 will cease in his case in view of the absorption of the Short-hand allowance of Rs.10/-, drawn by him previously, in his pay as now fixed in allocation in the new scale.

2. In reply, I am to state that, since a new cadre of Stenographers was created in the new scale, the pay of Mr. Narayana Iyer was fixed taking into account the Short-hand allowance which he had been drawing, and this new pay he would get whether he works as a personal clerk or not. The allowance given to personal clerks is in consideration of their going to Judges' houses and working out of Office hours, and this allowance cannot therefore be denied to one who is actually a personal clerk, though he happens to be Stenographer.

3. I am to add that Mr. T. M. Narayana Iyer is one of the official

officials to whom a duty allowance of Rs.10/- is given for working as personal clerk and that this allowance will not cease in view of the absorption of the Shorthand allowance in his pay for the reasons stated above.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.
